

## Don't Rip Your Britches on the Fence!

Statistics indicate the major cause of fatal GA accidents is the loss of control while maneuvering event. This program takes a practical and sometimes humorous look at how to avoid this deadly type of accident.

**Directions:** In Midland, exit Loop 250 South on Garfield St, Go 1/2 mile south until you see the main entrance sign for Midland College on your left Turn left into the entrance until you come to the perimeter road. Take a left on the perimeter road for a short distance to the first right and turn right into the parking lot. Go across the parking lot to the Helen L. Greathouse Children's Center. You will see signs directing you to the lecture hall from there.
